CONTRACT CHANGE ORDER
No. 1027.016-1

PROJECT NAME: Hancock County, Indiana GIS Professional Services
Schneider Corporation JOB NO. 1027.016

RE: **Professional Services Agreement between Hancock County, Indiana ("Owner") and The Schneider Corporation ("Schneider") signed December 28, 2004 and January 4, 2005, respectively.**

Reason for Change:
1) The County is revising the "Year 3" optional services, as identified in the original Authorization to Proceed agreement
2) This change order extends the County's GIS web hosting and GIS support through 2009

Deletion(s) to Professional Services Agreement (identified by strikethrough):

Note: Scope deletions are for "Year 3" (calendar year 2007)

~~Task II: Provide monthly on-site assistance to various Hancock County offices to increase their utilization of the GIS (2007). Cost $24,000~~

~~Task III: Serve as moderator for monthly meetings with Cities/Towns/Utilities. Cost: $6,000~~

~~Task V: Project Management. Cost: $6,000~~

Addition(s) to Professional Services Agreement:

1) Extend web hosting agreement through calendar year 2008. **Cost: $9,600**

2) Extend web hosting agreement through calendar year 2009. **Cost: $9,600**

3) GIS Support for 2007 – "Premium" level. **Cost: $9,800**
   a) Unlimited phone (includes 800 toll free number), fax, and e-mail support for all callers within the contracted organization.
   b) Remote access support where available (depends upon system configuration and software availability).
   c) Annual GIS data tune-up including such data integrity checks as topology checks, acreage divergence analysis, orphan and misplaced parcel checks. Data will be scrubbed using the most up to date QC checks currently in use, with a professional report clearly outlining the results, and a recommended priority and suggestions for addressing.
   d) 2 seats in a scheduled Introduction to ArcGIS I class at one of Schneider's ESRI Authorized Partner Learning Centers in Indianapolis, IN or Ames, IA.
   e) 2 seats in a scheduled Introduction to GeoGear class at one of Schneider's ESRI Authorized Partner Learning Centers in Indianapolis, IN or Ames, IA.
   f) Up to 2 ESRI authored virtual campus class.
   g) 5 days of consulting support, on-site as needed, including such activities as assistance with other system integrations to the GIS, assistance with applying GIS to specific tasks, training, custom programming, and/or data maintenance. All staff time and travel expenses are included (additional charges may apply if additional software/hardware is required).
   h) Up to 4 complimentary admissions to Schneider's Users' Conferences, traditionally held in Ames, IA and Indianapolis, IN.

4) GIS Support for 2008 – "Premium" level. **Cost: $9,800**
   a) Unlimited phone (includes 800 toll free number), fax, and e-mail support for all callers within the contracted organization.
   b) Remote access support where available (depends upon system configuration and software availability).
   c) Annual GIS data tune-up including such data integrity checks as topology checks, acreage divergence analysis, orphan and misplaced parcel checks. Data will be scrubbed using the

most up to date QC checks currently in use, with a professional report clearly outlining the results, and a recommended priority and suggestions for addressing.

d) 2 seats in a scheduled Introduction to ArcGIS I class at one of Schneider's ESRI Authorized Partner Learning Centers in Indianapolis, IN or Ames, IA.

e) 2 seats in a scheduled Introduction to GeoGear class at one of Schneider's ESRI Authorized Partner Learning Centers in Indianapolis, IN or Ames, IA.

f) Up to 2 ESRI authored virtual campus class.

g) 5 days of consulting support, on-site as needed, including such activities as assistance with other system integrations to the GIS, assistance with applying GIS to specific tasks, training, custom programming, and/or data maintenance. All staff time and travel expenses are included (additional charges may apply if additional software/hardware is required).

h) Up to 4 complimentary admissions to Schneider's Users' Conferences, traditionally held in Ames, IA and Indianapolis, IN.

5) GIS Support for 2009 – "Premium" level. **Cost: $9,800**

a) Unlimited phone (includes 800 toll free number), fax, and e-mail support for all callers within the contracted organization.

b) Remote access support where available (depends upon system configuration and software availability).

c) Annual GIS data tune-up including such data integrity checks as topology checks, acreage divergence analysis, orphan and misplaced parcel checks. Data will be scrubbed using the most up to date QC checks currently in use, with a professional report clearly outlining the results, and a recommended priority and suggestions for addressing.
